## OVERVIEW

I am an experienced Rwandan developer proficient in a diverse range of technologies including React.js, JavaScript, Node.js, C, C++, Java, Next.js, TypeScript, Angular.js, and adept in utilizing databases such as PostgreSQL, MongoDB, and MySQL. With over 2 years of hands-on experience, I bring a strong foundation in front-end and back-end development, coupled with expertise in UI/UX design using Figma. Passionate about creating innovative solutions and contributing to impactful projects, I thrive in collaborative environments where I can leverage my skills to drive results and make a meaningful impact.
